Age: 23 years

ADITYA AGARWAL

PROFILE SUMMARY

Marketing professional with hands-on experience in **B2B research and customer insights**, translating data into **growth opportunities, lead pipelines and actionable recommendations**.

INTERNSHIP

***Market Intelligence Intern*, HAFELE** **Apr 2026-Jun 2026**

- Mapped **193 firms across 9 market clusters** in Delhi NCR and Haryana, **meeting nearly 140 in person**, to profile OEMs, dealers and modular studios on requirements, brands used and hardware spend
- Identified **4 barriers to sales despite strong brand demand** (price, service support, trust, dealer undercutting) through competitor benchmarking against Hettich and Blum; sized **INR 80 lakh/month** of under-served spend across **8 priority accounts**
- Built a **lead pipeline of 58 new and prospect accounts** and a **4-part go-to-market plan** (volume-based contract pricing, on-site fitter training, trust campaign, one-dealer territories) for territory expansion

***Management Trainee*, TIME** **Jul 2024-Aug 2024**

- Generated **175 qualified leads with 30% lead-to-enrollment conversion**, counselled prospective students on program offerings, and structured feedback from 300+ students to identify recurring service issues and support improvements

ACADEMIC PROJECTS

- **Built GharFix**, an interactive home-services website with a **scroll-driven walk-through of 225 AI-generated frames** and a working booking flow across 8 service categories, built with **AI-assisted tools (Google Antigravity, AI Studio)** to lift engagement and conversion**.**
- Built a Marketing & Retail Decision-Making System for boAt, analysing **campaign, channel, product and regional performance** through KPI-based diagnostics to identify growth opportunities and recommend data-driven marketing actions.
- **Consumer Purchase Abandonment in Offline Retail:** Mixed-method study with **41 survey responses and 20 consumer interviews**, using thematic coding and non-parametric tests in Python; identified **price, availability and online comparison** as the leading reasons shoppers leave without buying
